

Shared Vision of Milwaukee's Public Health Partners

"Milwaukee is a model community with healthy, safe, hopeful, and empowered residents."

Essential Values

We value...

- *Communication - We value open and meaningful dialogue with the community, the media, and other resources.*
- *Accountability - We value clear responsibility and action*
- *Evidence - We value the adoption of best practices and proven innovations*
- *Partnership - We value collaboration with businesses, health services, and the community in maintaining the health of Milwaukee.*

Our Goals

- *Affordable and accessible quality healthcare for all*
- *Elimination of disparities*
- *Educated and empowered families and youth*
- *Safe and welcoming neighborhoods*
- *Community awareness of the link between economic well-being and health*
- *Continual improvement and measurement of needs of all individuals in the city of Milwaukee*
